I wake up on the wrong side of my floor
My clothes still smell like the night before
Where Am I?
Why am I talking to myself? (Self)

Iâ'm like a fat kid running through a candy store
Iâ'm like a nympho surrounded by a bunch of whores
Why Canâ't I Just Get Control Over Myself? (Self)

Iâ'm not trying to be a saint.
I donâ't wanna be president someday.
Iâ'm just trying to make my way. (Yeah)

Iâ'm sorry Iâ'm a fuck up, yeah
I canâ't do anything right
Iâ'm sorry Iâ'm a fuck up, yeah
It ainâ't no oneâ's fault but mine
Iâ'm sorry Iâ'm a fuck up, yeah
I canâ't do nothing right
Iâ'm sorry Iâ'm a fuck up (Yeah)
So if you fuck up all the time

Letâ's all sing.

Oops my bad I never said Iâ'd ever get it right.
Da Da Da Da Da Da

My girlfriend told me that she wants a break
And that bring with me is what turned her gay
Whatâ's with me; why does this happen all the time?
(Time)

Iâ'm like a blind man walking through a perfume shop
Iâ'm like a black guy switching ladies in front of the
cops
Why canâ't I just get control over myself? (self)

I wake up on the wrong side of my floor
My clothes still smell like the night before

Da Da Da Da Da Da

Iâ'm just a bad luck charm.
To blame when things go wrong.
Been cursed since I was born
Maybe one day Iâ'll change
For now all I can say

(Yeah)

Iâ'm sorry Iâ'm a fuck up, yeah
I canâ't do anything right
Iâ'm sorry Iâ'm a fuck up, yeah

Oops my bad I never said Iâ'd ever get it right.
Oops my bad I never said Iâ'd ever get it right.

Da Da Da Da Da Da

Ah, Fuck it.
