I'm running out of time
I hope that I can save you somehow
If I, If I had superpowers
I'd save the world and you would be mine, mine

Have no fear, your hero is here
My supersense is telling me that danger is near
I'm getting close to you so I can watch your back
A villain's on the loose and he is ready to attack

Oh, but I'm not a superhero
I'm not that kinda guy
But I can save you, baby, give me a try.

Cause I'm running out of time
I know what I came to do, and I didn't come to lose,
So I'll fight until your mine
Any trouble comes around I won't be backing down, tonight

Ooooooooooh, if you're in danger
Ooooooooooh, I'm here to save you
Ooooooooooh, that's what I'm made of oh oh ohhh
Give you my superlove

I'm fighting for your love for all this time
What I gotta do to make you mine
Got no super speed but I'm running this town
If you get I'm my way, Imma take you down

Oh, but I'm not a superhero
I'm not that kinda guy
But I can save you, baby, give me a try.

Cause I'm running out of time
I know what I came to do, and I didn't come to lose,
So I'll fight until your mine

Any trouble comes around I won't be backing down, tonight

Ooooooooooh, if you're in danger
Ooooooooooh, I'm here to save you
Ooooooooooh, that's what I'm made of oh oh ohhh
Give you my superlove

Can't you see
(that you never)
were meant to be
(you're like no other)
So come with me, say your mine
(Don't keep me waiting)

Cause I'm running out of time
I know what I came to do, and I didn't come to lose,
So I'll fight until your mine
Any trouble comes around I won't be backing down, tonight

Ooooooooooh, if you're in danger
Ooooooooooh, I'm here to save you
Ooooooooooh, that's what I'm made of oh oh ohhh
Give you my superlove (x4)
oh oh ohhhh give you my super love

And all you really need.
It's been right in front of you this whole time
And I, I didn't need no superpowers
I saved the world and now you are mine
Now, you're mine
