Back from the liquor store  
Dressed up like a hoe  
Dancing real sexy  
Lots of drunk texting  
Alone on a Friday night, no boyfriend tonight we got  
into a fight  
Now baby I just wanna drink  
Maybe some some weed  
Start talking to my cat  
Get naked on lchat because baby I don't care  
Watching romantic movies, piercing my own boobies.  
Who's that bitch? I'm that bitch.  
Inviting in a hobo, doing our hair and nails.  
Who's that bitch? I'm that bitch  
Oh, I don't care tonight imma find a new guy  
Someone who isn't hung like a toddler  
My head is hurting I think I should go to bed  
Oh, Oh, Oh, Oh, Oh  
I'm tired of acting crazy just because I hate you baby  
Who's that bitch? I'm that bitch  
Just call me Helen Keller because I ain't gonna ever see  
you again  
Stupid bitch!
