Girl I wanna be with you
Do what da lovers do
Makin sweet love all night
Girl you make me feel alright
As I wake up to the morning sun light
There you were lookin so dam fine
Your beauty is so bright
That it caught my eyes
I do anything just to make you mine

Girl I wanna be with you
Do what lovers do
Makin sweet love al night
Girl you make me feel alright

Girl I wanna be with you
Do what lovers do
Makin sweet love al night
Girl you make me feel alright

Time has come me hand you to me
And Like an angel sent from heaven down to me
Puppy love and I don't know what to do
I love you 4ever
And I'll always be true

Girl I wanna be with you
Do what lovers do
Makin sweet love al night
Girl you make me feel alright

Girl I wanna be with you
Do what lovers do
Makin sweet love al night
Girl you make me feel alright

Girl I wanna make you mine
Kisses to the morning light
I'm gonna hold you low
Baby girl until the end of time
Cuz girl you r always on my mind
Everyday I wanna make you smile

And I'll never gonna let you go
Cuz/it's good loving is hard to fine

(We're gonna be sexy body lovers
Underneath the covers
You and me together
Cuz no one can do it better
If no matter if the rain come falls
It's/they gonna love ya down from the windows to the
wall
Cuz me girl me wanna(wanta) be with you
Because you are the highest treasure
Want to be with you
Because no one can love me beta/better
Wanna be with you
Love in any kind of weather
Want to be with you
Because your love is true
Oh yeah

Girl I wanna be with you
Do what lovers do
Makin sweet love al night
Girl you make me feel alright)

Girl I wanna be with you
Do what lovers do
Makin sweet love al night
Girl you make me feel alright
Girl I wanna be with you
Do what lovers do
