We are like clay in the Potter's hands  
He can destroy us and our land  
He can make us prosper with his hand  
No one can stand against our mighty God

(Chorus)

Jesus is our King  
He is everything  
He rules over all  
Jesus is our King  
He is everything  
He rules over all

We're like actors on a stage  
And God is our director  
We're like sheep  
And God is our shepherd  
He tells us to line up and follow him  
And if we do  
He'll lead us to a place  
Where everything will be fine

(Chorus)

Jesus is our King  
He is everything  
He rules over all  
Jesus is our King  
He is everything  
He rules over all

(Bridge)

If you have any doubts  
Just remember everything the Bible says  
And listen to these words that I'm singing in this song

(Chorus)

Jesus is our King  
He is everything

He rules over all  
Jesus is our King  
He is everything  
He rules over all  
Jesus is our King  
He is everything  
He rules over all  
Jesus is our King  
He is everything  
He rules over all
