Oh sing to our King Lord Jesus
Oh sing to our mighty King
Oh sing to our King Lord Jesus
'Cause he's mighty and great
Oh sing to our King Lord Jesus
For his mercy and his grace
'Cause he's precious oh precious and worthy of all
praise
(Chorus)
Come on and join me (come on) in praising Jesus
Won't you praise his holy name
Come on and join me (yeah come on) in praising Jesus
(praising Jesus)
Won't you praise his holy name
And ever since I let Jesus in my life I know everything is
gonna be all right
So won't you join me (come on) in praising Jesus
(praising Jesus)
Won't you praise his holy name
Said I was feeling (I was feeling) down and out (down
and out)
I was feeling pretty low
Said I was feeling (I was feeling) pretty lost (pretty lost)
And I didn't know which way to go
Then a friend said come along with me
To the church house
And buddy you will see (you will see)
About my friend Jesus
My friend Jesus
Won't you come along with me (and he said)
(Chorus)
Come on and join me (come on) in praising Jesus
(praising Jesus)
Come on praise his holy name
Come on and join me (oh come on) in praising Jesus
(praising Jesus)
Won't you praise his holy name
Ever since I let Jesus in my life I know everything is
gonna be all right

(praising Jesus)
Won't you praise his holy name
