I'm a soldier for the Lord
I fight for Christ
I'm a soldier for the Lord
Only in His might (2x)

I'm not just a soldier for Uncle Sam
I've been drafted to fight where I stand
Among the debris that spoils the air
Not an ember will singe my hair

(chorus)

So help me to serve You with all the I am
Forget not Your private agreed to Your plan
Watch over me close and always guide
So I may be all that I can be. .

(chorus)

(Guitar solo)

I'm called to fight a spiritual war
My job-to recruit so many more
To build up an army stronger than might
In unity, we will fight

(chorus)

The battle line's been drawn
On the earth's dry sand
The side that I'll be on
I will fight where I stand

I'm a soldier, I'm a soldier
I'm a so. . . ldier.

Don't give up, don't give in
Set your sights 'cause He's gonna win (2x)
