Throwing pennies in the wishing well  
And I think to myself  
If only you were here right now  
I try to make believe  
Pretend you're here with me  
If things ain't what they seem  
Well baby we'll work it out

So come back anytime you're ready  
Cause I'm ready to be with you

I remember when you said  
If it ain't broke don't fix it  
If it ain't gone don't miss it  
If you believe it's love then don't let them change your  
mind  
Try to find a deeper reason  
Time will change to another season  
Oh, oh, oh and on and on the story goes

I go to the place where we used to meet  
Do you ever go there too, do you ever think of me?  
Oh we met on a hot summer day  
And it started to rain  
Water fell from the sky and down your face

So come back anytime you're ready  
Cause I'm ready to be with you

I remember when you said  
If it ain't broke don't fix it  
If it ain't gone don't miss it  
If you believe it's love then don't let them change your  
mind  
Try to find a deeper reason  
Time will change to another season  
Oh, oh, oh and on and on the story goes  
On and on the story goes

If it ain't broke don't fix it  
If it ain't gone don't miss it  
If you believe it's love then don't let them change your

mind  
Try to find a deeper reason  
Time will change to another season  
Oh, oh, oh and on and on the story goes  
On and on the story goes
