She walks around  
She stands so proud  
Her feet barely touching the ground  
She passes by  
I close my eyes  
Praying that she'll notice me for the first time  
And I hope  
This will all be over soon  
But I wish you could see  
That you're the one I see  
Inside my mind  
Everytime I close my eyes

I see your eyes with the sunset  
In the warm september skies  
I feel you crash like the ocean  
Rolling out with the tide  
I feel you fall like rain  
Oh and as you surround me I pray  
So fall out  
And fall down  
I remember everything you say so  
Fall out  
And fall down  
Said it only hurts when I'm breathing  
It only hurts when I'm breathing

She blends in with the crowd  
She laughs so loud  
But she cries when nobody's around  
She stops to slow down  
She never makes a sound as her heartbreaks inside of  
her chest and all she feels is loneliness  
But it's better that way  
It's better that way she says

I see your eyes with the sunset  
In the warm september skies  
I feel you crash like the ocean  
Rolling out with the tide  
I feel you fall like rain  
Oh and as you surround me I pray

So fall out  
And fall down  
I remember everything you say so  
Fall out  
And fall down  
Said it only hurts when I'm breathing  
It only hurts when I'm breathing
