Call me good, Call me bad  
Call me anything you want to baby  
But I know, that your sad  
And I know i'll make you happy  
With the one thing that you never had

Baby I'm your man! Don't you know that  
Baby I'm your man  
You bet!  
If your gonna do it do it right- right- do it with me  
If your gonna do it do it right- right- do it with me  
If your gonna do it do it right- right- do it with me

You're so good, your divine  
Wanna take you, wanna makeyou  
And they tell me that it's fine  
Oh! Everybody knows where the good people go  
But where we're going baby  
Ain't no such word as no!

I'm your man! Don't you know that?  
Baby I'm your man  
Alright!  
If your gonna do it do it right- right- do it with me  
If your gonna do it do it right- right- do it with me  
If your gonna do it do it right- right- do it with me

First class information  
Sensual inspiration  
And with some stimulation  
We can do it right.

So why waste time  
With other guys?  
Have mine  
I ain't askin' for no sacrifice  
Baby our friends do not need to know  
Gotta real nice place to go

Listen. I don't need you to care  
And I don't need you to understand  
All I want is for you to be there

And when I'm turned on  
If you want me  
I'm your man!

I'm your man If you're gonna do it do it right

I'll be your boy  
I'll be your man  
I'll be the one who understands  
I'll be your first  
I'll be your last  
I'll be the only one you ask  
I'll be your friend  
I'll be your toy  
I'll be the one who brings you joy  
I'll be your hope  
I'll be your pearl  
I'll take you half way round the world!  
I'll make you rich  
I'll make you poor

I'm your man!
