If our love was a fairy tale  
I would charge in and rescue you  
On a yacht, baby we would sail  
To an island where we'd say we do

And if we had babies they would look like you  
It'd be so beautiful if that came true  
You don't even know how special you are

[Chorus]

You leave me breathless  
You're everything good in my life  
You leave me breathless  
I still can't believe that you're mine  
You just walked out from one of my dreams  
So beautiful you're leaving me  
Breathless

And if our love was a story book  
We would meet on the very first page  
The last chapter would be about  
How I'm thankful for the life we've made

And if we had babies they would have your eyes  
I would fall deeper watching you give life  
You don't even know how very special you are

[Chorus]

You must have been sent from heaven to earth to  
change me  
You're like an angel  
The thing that I feel is stronger than love believe me  
You're something special  
I only hope that I'll one day deserve what you've given  
me  
But all I can do is try  
Every day of my life

[Chorus x2]
