Nothing's impossible  
Nothing's unreachable  
When I am weary  
You make me stronger  
This love is beautiful  
So unforgettable  
I feel no winter cold  
When we're together  
When we're together

[chorus]  
Will you stand by me  
Hold on and never let me go  
Will you stand by me  
With you I know I belong  
When the story gets told

When day turns into night  
I look into your eyes  
I see my future now  
All the world and it's wonder

This love wont fade away  
And through the hardest days  
I'll never question us  
You are the reason  
My only reason

Will you stand by me  
Hold on and never let me go  
Will you stand by me  
With you I know I belong  
When the story gets told

I am blessed  
To find what I need  
In a world loosing hope  
You're my only believe  
You make things right  
Everytime after time

Will you stand by me

Hold on and never let me go  
Will you stand by me  
With you I know I belong  
When the story gets told

[repeat chorus]

Stand by me  
No more darling I want you by my side  
I want you hear with me
