I love wakin' up  
To you each mornin'  
And I love thinkin' 'bout  
You every day  
And when the day is through  
I love coming home to you  
Add it all up,  
That's a whole lotta love

Chorus:  
Every mornin'  
As I drive to work  
I love you all the way  
I can't get no work done  
'Cause I'm lovin' you all day  
And when I get home to you,  
Sweetheart  
That's when the lovin'  
Really starts  
Add it all up,  
That's a whole lotta love

How much do  
I love you darlin,  
Let me count the ways  
I love you once a second,  
Twice as much on Saturdays  
'Round the clock,  
My love don't stop  
It just keeps pilin' up  
Add it all up,  
That's a whole lotta love

(Chorus 2x)

Yea when I get home to you  
Sweetheart  
The lovin' goes  
Right off the chart  
Add it all up  
That's a whole lotta love

Add it all up, that's a  
Whole lotta love
