I'm not in the mood (to say no)! lyrics

Yah

Ok

Don't want to wait in line ah ahhh

Its such a waste of time ah ah ahh ah

Going find me on the couch ah ahhh

Sleeping like a slouch ah ah ahh ah

I don't like sitting down, doing nothing.

I'd rather spend my time doing something.

Ain't no need to plan it,

Jump right in and jam it.

Don't need to say no uh ooo.

Im not in the mood.

To be shy, to stand by and not give it a try.

Im not in the mood.

To stay home, be alone, face the night on my own.

Im not in the mood.

To say, to say NO!!

I wont be laying low ah ahh

Not my style to take it slow ah ah ahh ah

No it anit not be a slack ah ahh

There's no time for holding back aah ah ahh a

I wont be sitting down, doing nothing

Id rather spend my time doing something

Ain't no need to plan it

Jump right in a jam it

No need to say NO! uh oh o

Im not in the mood

To be shy, to stand by and not give it a try.

Im not in the mood

To stay home , be alone, face the night on my own.

Im not in the mood

To say, to say NO!

Uh huh

Oh I rather spend my time doing something

I wont be sitting doing nothing

Ain't no need to plan it
Jump right in and jam it
No need to say No oh ohhhho

Im not in the mood
To be shy, to stand by and not give it a try.
Im not in the mood
To stay home , be alone, face the night on my own.
I am not in the mood
To say, to say NO!
