WRITERS SHANIA TWAIN, PAUL SABU

How can you tell me it wasn't for real  
Step into my shoes and see how it really feels  
I know, I know why you do it  
Still I can't stand you putting me though it

Chorus:  
Don't gimme that  
Once over  
Don't gimme that  
Once over  
That's just on step over the line

Once upon a time I let you near  
There was no reason that I had to fear  
I know, I know it's easy for you to leave  
But this time it's better for me to give than receive

(Repeat Chorus)

You made the place and time  
How did you fake that crime

Once in awhile I'll think of you  
Maybe somethin' old or somethin' brand new  
I know, I know I know where you'll be  
Somewhere in the night lookin' for me

You can seek but you'll never find  
'Cause you can't go back in time

(Repeat Chorus and fade)
