Shania:
I just sware
That I'll always be there
I'd give anything and everything
And I will always care
Through weakness and strength
Happiness and sorrow
For better or for worse
I will love you
With every beat of my heart

Shania:
From this moment life has begun

Bryan:
From this moment you are the one

Shania:
Right beside you,

Both:
Is where I belong
From this moment on

Bryan:
From this moment I have been blessed

Shania:
I live only for your happiness

Bryan:
And for your love

Both:
I'd give my last breath
From this moment on

Shania:
I give my hand to you with all my heart

Bryan:

Can't wait to live my life with you
Can't wait to start

Both:
You and I will never be apart
My dreams came true because of you

Shania:
From this moment,

Both:
as long as I live
I will love you
I promise you this
There is nothing I wouldn't give
From this moment on

Shania:
Your the reason I believe in love

Bryan:
And your the answer to my prayers from up above

Both:
All we need is just the two of us
My dreams came true because of you

From this moment as long as I live
I will love you
I promise you this
There is nothing I wouldn't give
From this moment

Shania:
I will love you

Bryan:
I will love you

Shania:
As long as I live

Both:
From this moment on
