HE'S A REBEL

The Crystals

Here comes my guy walking down the street

Look how he walks with a dancing beat

Thick wavy hair, a little too long

All day long he's singing his song

And when I see him in the street

My heart takes a leap and skips a beat

Gonna walk right up to him

Give him a great big kiss

Tell him that I love him

Tell him that I care

Tell him that I'll always be there

(Spoken) Well what color are his eyes?

I don't know he's always wearing shades

Is he tall? Well, I've got to look up

Yeah? Well I hear he's bad

MM, he's good bad, but he's not evil

Tell me more, tell me more

Big bulky sweaters to match his eyes

Dirty fingernails

Oh boy what a prize

Tight tapered pants, high button shoes

He's always looking like he's got the blues

And when I see him in the street

My heart takes a leap and skips a beat

Gonna walk right up to him

Give him a great big kiss

Tell him that I love him

Tell him that I care

Tell him that I'll always be there
