Get a life, get a grip
Get away somewhere, take a trip
Take a break, take control
Take advice from someone you know, oh

Come on over, come on in
Pull up a seat, take a load off your feet
Come on over, come on in
You can unwind, take a load off your mind

Make a wish, make a move
Make up your mind, you can choose
When you're up, when you're down
When you need a laugh come around, oh

Come on over, come on in
Pull up a seat, take a load off your feet
Come on over, come on in
You can unwind, take a load off your mind

Oh ooo oh
Oh ooo oh
Oh ooo oh

Be a winner, be a star
Yeah be happy to be who you are
Gotta be yourself, gotta make a plan
Gotta go for it while you can, yeah

Come on over, come on in
Pull up a seat, take a load off your feet
Come on over, come on in
You can unwind, take a load off your mind

Get a life, get a grip
Get away somewhere, take a trip
Take a break, take control
Take advice from someone you know, oh

Come on over, come on in
Pull up a seat, take a load off your feet
Come on over, come on in

You can unwind, take a load off your mind, yeah

You come on over, you come on in

You come on, come on in

When I say yeah yeah

Oh ooo oh

No no no

Come on over, come on in
