How can you tell me it wasn't for real?
Step into my shoes and see how it really feels
I know, I know why you do it
Still I can't stand, you putting me though it

Don't gimme that, once over
Don't gimme that, once over
That's just one step over the line

Once upon a time I let you near
And there was no reason that I had to fear
I know, I know it's easy for you to leave
But this time it's better for me to give than receive

Don't gimme that, once over
Don't gimme that, once over
That's just one step over the line

You made the place and time
How did you fake that crime?

Once in a while I'll think of you
Maybe somethin' old or somethin' brand new
I know, I know, I know where you'll be
Somewhere in the night lookin' for me

You can seek but you'll never find
'Cause you can't go back in time

Don't gimme that, once over
Don't gimme that, once over
That's just one step over the line

Don't gimme that, once over
Don't gimme that, once over
That's just one step over the line

Don't gimme that, once over
Don't gimme that, once over
That's just one step over the line
