In your arms
I can feel your heart beat now
I can really feel your love

In your arms
I can still feel the way you want me
When you hold me
I can still hear the words you whispered
When you told me
I can stay right here forever in your arms

And there ain't no way
I'm letting you go now
And there ain't no way
And there ain't no how
I'll never see that day

'Cause I'm keeping you
Forever and for always
We will be together all of our days
Wanna wake up every morning
To your sweet face, always, ooh, baby

In your heart, I can still hear a beat
For every time you kiss me
And when we're apart
I know how much you miss me
I can still feel your love for me
In your heart

And there ain't no way
I'm letting you go now
And there ain't now way
And there ain't no how
I'll never see that day

'Cause I'm keeping you
Forever and for always
We will be together all of our days
Wanna wake up every morning
To your sweet face, always, ooh, baby
(I wanna wake up every morning with you)

In your eyes
(I can still see the look of the one)
I can still see the look
Of the one who really loves me
(I can still feel the way that you want)

The one who wouldn't put anything
Else in the world above me
(I can still see your love for me)
I can still see your love for me in your eyes
(I still see the love)

And there ain't no way
I'm letting you go now
And there ain't no way
And there ain't no how
I'll never see that day

'Cause I'm keeping you
Forever and for always
We will be together all of our days
Wanna wake up every morning
To your sweet face, always, ooh, baby

'Cause I'm keeping you
Forever and for always
We will be together all of our days
Wanna wake up every morning
To your sweet face, always, ooh, baby

I'm keeping you forever and for always
That's a keeper, baby, always and forever
I'm in your arms
