Mmmmm....

Oooh, in your arms

I can feel your heart beat now

I can really feel your love

In your arms,

I can still feel the way you want me

when you hold me

I can still hear the words you whispered

when you told me

I can stay right here forever in your arms

And there ain't no way

I'm lettin' you go now

And there ain't no way

and there ain't no how

I'll never see that day....

Chorus:

'Cause I'm keeping you

forever and for always

We will be together all of our days

Wanna wake up every morning

to your sweet face

Always-----

oooh baby

In your heart

I can still hear a beat

for every time you kiss me

And when we're apart,

I know how much you miss me

I can still feel your love for me

in your heart

And there ain't no way

I'm lettin' you go now

And there ain't now way

and there ain't no how

I'll never see that day....

Repeat Chorus

(I wanna wake up every morning... with you)

In your eyes

(I can still see the look of the one)

I can still see the look

of the one who really loves me

(I can still feel the way that you want)

The one who wouldn't put anything

else in the world above me

(I can still see your love for me)

I can still see your love for me in your eyes

(I still see the love)

And there ain't no way

I'm lettin' you go now

And there ain't no way

and there ain't no how

I'll never see that day....

Repeat Chorus (2x)

I'm keeping you forever and for always...

That's a keeper, baby

Oooh always and forever

I'm in your arms
