In your arms

In your arms, I can still feel the way you want me
When you hold me
I can still hear the words you whispered
When you told me
I can stay right here forever in your arms

And there ain't no way
I'm lettin' you go now
And there ain't no way
And there ain't no how
I'll never see that day

'Cause I'm keeping you forever and for always
We will be together all of our days
Wanna wake up every morning
To your sweet face, always

Ooh baby

In your heart, I can still hear a beat
For every time you kiss me
And when we're apart
I know how much you miss me
I can feel your love for me in your heart

And there ain't no way
I'm lettin' you go now
And there ain't no way
And there ain't no how
I'll never see that day

'Cause I'm keeping you forever and for always
We will be together all of our days
Wanna wake up every morning
To your sweet face, always
Wanna wake up every morning

In your eyes
(I can still see the look of the one)
I can still see the look

Of the one who really loves me
(I can still feel the way that you want)
The one who wouldn't put anything
Else in the world above me
(I can still see your love for me)
I can still see your love for me in your eyes
(I still see the love)

And there ain't no way
I'm lettin' you go now
And there ain't no way
And there ain't no how
I'll never see that day

'Cause I'm keeping you forever and for always
We will be together all of our days
Wanna wake up every morning
To your sweet face

I'm keeping you forever and for always
We will be together all of our days
Wanna wake up every morning
To your sweet face
I'm keeping you forever and for always

Always and forever
And in your arms
