Midnight sky shining on my face  
I feel the waves embracing me  
I'm here to find  
Some peace of mind  
Time and time  
Waits for me  
It waits for me, yeah

So here I am again  
Somewhere in between  
Hate to love  
Trying to find reality  
In a dream  
Hate to love  
I'm afraid to say I need someone like you  
Hate to love  
I hate to love

Faded photographs  
Of a picture-perfect love  
Locked inside this frame of mind  
Forgiving true is a trust betrayed  
If time heals all it left me behind  
It left me behind

So here I am again  
Somewhere in between  
Hate to love  
Trying to find reality  
In a dream  
Hate to love  
I'm afraid to say I need someone like you  
Hate to love  
I hate to love

Loneliness and innocence  
As you invade my heart  
I love to hate the truth of love  
It's tearing me apart

So here I am again  
Somewhere in between

Hate to love  
Trying to find reality  
In a dream  
Hate to love  
I'm afraid to say I need someone like you  
Hate to love  
I hate to love
