"Heart Is Blind"

I hear the slammin' of the door
There you go again
I can't take it anymore
That's just the way it is

But then I listen to my heart
And the anger fades
I wanna hold ya
Never let ya go away

[Pre-chorus]
I feel a ragging war inside
A battle between the heart and mind
But love wins when I close my eyes

[Chorus]
The heart is blind
It will not see
When hope is gone
The heart will still believe
I see you go
Through tearful eyes
But for the sake of love
The heart is blind

I know there's been a lot of night's
When we couldn't sleep
The words are like a knife
They cut so deep

But when I listen to my heart
It's deeper than the pain
I really love ya
And that's all that matters anyway

Pre-chorus

Chorus

[Bridge]
I'll always love you

And hard times can only make us strong
If we keep holding on

Chorus
