I admit you got the biggest brown eyes
And you know how to part your lips to tantalize, sure
babe
You know you can get any girl you want, go ahead, do
it
And don't say you don't, you know you do

Well baby, I ain't gonna eat out my heart anymore
Ain't gonna eat out my heart anymore
Ain't gonna eat out my heart anymore

Just 'cause I ain't sayin' it you should be ashamed
What I've been seein' babe
You better watch you step or you can bet
You're gonna lose the best thing you ever had

Well baby, I ain't gonna eat out my heart anymore
Ain't gonna eat out my heart anymore
Ain't gonna eat out my heart anymore

I love you, I love you, I do babe
But you ain't gonna cheat on me
I need you, I need you, I do
Choose, is it her or me

Well baby, I ain't gonna eat out my heart anymore
Ain't gonna eat out my heart anymore
Ain't gonna eat out my heart anymore

I love you, I love you, I do babe
But you ain't gonna cheat on me
I need you, I need you, I do
Choose, is it her or me

Oh baby, I ain't gonna eat out my heart anymore
Ain't gonna eat out my heart anymore
Ain't gonna eat out my heart anymore
