Let me let you in on a secret
How to treat a woman rightt
If you're lookin' for a place in her heartt
It ain't gonna happen overnight
First you gotta learn to listent
To understand her deepest thoughtst
She needs to know you can be friendst
Before she'll give you all she's got

If you start from the heartt
You'll see love is gonna play it's part

If you wanna get to know hert
Really get inside her mindt
If you wanna move in closert
Take it slow, yeah take your timet
You must start from the heart and then...t
If you wanna touch hert
Really wanna touch hert
if you wanna touch her, ask!

A little physical attractiонт
Romantic, old-fashioned charmt
And a lot of love and tendernesst
Is gonna get you into her arms

If you start from the heartt
You'll see love is gonna play it's part

If you wanna get to know hert
Really get inside her mindt
If you wanna move in closert
Take it slow, yeah take your timet
You must start from the heart and then...t
If you wanna touch hert
Really wanna touch hert
if you wanna touch her, ask!

Let me let you in on a secrett
How to treat a woman rightt
If you're lookin' for a place in her heartt

It ain't gonna happen overnight

If you wanna get to know hert
Really get inside her mindt
If you wanna move in closet
Take it slow, yeah take your timet
You must start from the heart and then...t
If you wanna touch hert
Really wanna touch hert
if you wanna touch her, ask!
