(i do swear that i'll always be there. i'd give anything  
and everything and i will always care. through  
weakness and strength, happiness and sorrow, for  
better or worse, i will love you with ever  
T of my heart.)

From this moment life has begun  
From this moment you are the one  
Right beside you is where i belong  
From this moment on

From this moment i have been blessed  
I live only for your happiness  
And for your love i'd give my last breath  
From this moment on

I give my hand to you with all my heart  
Can't wait to live my life with you, can't wait to start  
You and i will never be apart  
My dreams came true because of you

From this moment as long as i live  
I will love you, i promise you this  
There is nothing i wouldn't give  
From this moment on

You're the reason i believe in love  
And you're the answer to my prayers from up above  
All we need is just the two of us  
My dreams came true because of you

From this moment as long as i live  
I will love you, i promise you this  
From this moment  
I will love you as long as i live  
From this moment on
