The daylight's fading slowly
The time with you is standing still
I'm waiting for you only
The slightest touch and I feel weak
I cannot hide from you, I cannot lie
And I'm losing my will to try, can't fight it, can't hide it

So go on, go on, come on, leave me breathless
Touch me, tease me until I can't deny this
Loving feeling, make me long for your kiss
Go on, go on, yeah, come on

And if there's no tomorrow
And all we have is here and now
I'm happy just as you
You're all the love I need somehow
It's like a dream although I'm not asleep
And I never want to wake up
Don't lose it, don't leave it

So go on, go on, come on, leave me breathless
Touch me, tease me until I can't deny this
Loving feeling, make me long for your kiss
Go on, go on, yeah, come on

Ah, ah
I cannot hide from you, I cannot lie
And I've lost my will to try, can't fight it, can't hide it

So go on, go on, come on, leave me breathless
Touch me, tease me until I can't deny this
Loving feeling, make me long for your kiss
Go on, go on, come on, leave me breathless
Go on, go on, come on, leave me breathless
Go on, go on, come on, leave me breathless, go on, go
on
