Am I dreamin' or stupid?
I think I've been hit by Cupid
But no one needs to know right now

I met a tall, dark and handsome man
And I've been busy makin' big plans
But no one needs to know right now

I got my heart set, my feet wet
And he don't even know it yet
But no one needs to know right now

I'll tell him someday, someday, somehow
But I'm gonna keep it a secret for now

I want the bells to ring, the choir to sing
The white dress, the guest, the cake
The car, the whole darn thing
But no one needs to know right now

I'll tell him someday, someday, somehow
But I'm gonna keep it a secret for now

Will have a little girl, a little boy
A little Benji, we call Leroy
But no one needs to know right now

And I'm not lonely, lonely anymore at night
And he don't know only he can make it right
And I'm not lonely, lonely anymore at night
And he don't know only he can make it right

I'm not dreamin' or stupid
But boy, have I been hit by Cupid?
But no one needs to know right now
No one needs to know right now
