How can you tell me  
It wasn't for real  
Step into my shoes  
And see how it really feels  
I know (I know) why you do it  
But still I can't stand  
You puttin me through it

Don't gimme that once over  
Don't gimme tha once over  
That's just one step over the line

Once upon a time I let you be free  
There was no reason that I had to feel  
I know (I know) it's easy for you to believe  
But this time its better for me to give than recieve

Don't gimme that once over  
Don't gimme that once over  
That's just one step over the line

You made the place and time  
Now did you think I'd cry

Once in awhile I think of you  
Maybe something old  
For something brand new  
I know ( I know) I know you'll be  
Somewhere in the night  
Lookin for me  
You can seek but you'll never find  
Because you can't go back in time

Don't gimme that once over  
Don't gimme tha once over  
Thats just one step over the line

Don't gimme that once over  
Don't gimme that once over  
Thats just one step over the line

Don't gimme that once over

Don't gimme tha once over  
Thats just one step over the line
