I woke up this morning with a buzz rollin' 'round in my
brain

I haven't been drinkin' but it feels pretty good just the
same

It must be contagious, looks like it's goin' around
It's cool once you catch it, you can't keep your feet on
the ground

Oh no, come on, come on
Let's get something started
Yeah, come on, come on
Let's start something now

We're gonna rock this country
We're gonna rock this country
Every brown-eyed boy, every blue-eyed girl
Gotta really go psycho, give it a whirl

We're gonna rock this country
Right out of this world
Ah ooo, na na na
Ah ooo, na na na

From Utah to Texas, Minnesota, Mississippi too
Or Nevada, no matter where you live this buzz is for
you
I say, "Come on, come on let's get something started
Oh yeah, come on, come on let's start something now"
Here we go

We're gonna rock this country
We're gonna rock this country
Every brown-eyed boy, every blue-eyed girl
Gotta really go psycho, give it a whirl

We're gonna rock this country
Right out of this world
Ah ooo, na na na
Ah ooo, na na na

Lets go
Hey hey hey, yeah

Hey hey hey

We're pluggin' in the power, crankin' up the sound
It's comin' your direction, it's headin' to your town
We're kickin' up dust, blowin' off steam
Let's get nuts now everybody scream

We're gonna rock this country
Oh, we're gonna rock this country
Every brown-eyed boy, every blue-eyed girl
Gotta really go psycho, give it a whirl

We're gonna rock this country
Right out of this world
Ah ooo, na na na
Ah ooo, na na na
Ah ooo, na na na

Get ready, we're coming
