Whenever I think of you
It seems so unfair
That I have to close my eyes
To see you there

I know I'm makin' it now
But it's tough
I can't begin to tell you enough
The pain is too much

And I give my heart in a prayer
Send it with love
You just say the words
I'll be there
Send it with love
Send it with love

I've come to realize that
I'm on my own
So whenever I'm scared inside
I dream that your home

Hard to say
How everything happened so fast
So many questions to ask
Ohh

And I give my heart in a prayer
Sent it with love
You just say the word
I'll be there
Send it with love
Send it with love

Is it right or is it wrong
To want you here so much
But I can never bring you back
So I feel what I can't touch

I've come to realize that
I'm on my own

And I give my heart in a prayer
Send it with love
You just say the word
I'll be there
Send it with love
Send it with love

And I give my heart in a prayer
Send it with love
You just say the word
I'll be there
Send it with love
