Oh na, na, na

She hosts a TV show, she rides the Rodeo  
She plays the bass in a band  
She's an astronaut, a valet at the parking lot  
A farmer working the land  
She is a champion, she gets the gold  
She's a ballerina, the star of the show

She's not just a pretty face  
She's got everything it takes  
She has a fashion line, a journalist for Time  
Coaches a football team

She's a geologist, a romance novelist  
She is a mother of three  
She is a soldier, she is a wife  
She is a surgeon, she'll save your life

She's not just a pretty face  
She's got everything it takes  
She's mother of the human race  
She's not just a pretty face

Oh, oh, yeah  
Oh na, na, na, na  
She is your waitress, she is your judge  
She is your teacher  
She is every woman in the world

Oh, la, la, la  
She flies an airplane  
She drives a subway train  
At night she pumps gasoline  
She's on the council, she's on the board  
She's a politician, she praises the Lord

She's not just a pretty face  
She's got everything it takes  
She's mother of the human race  
She's not just a pretty face

No, she's not just a pretty face  
(She's not )  
She's got everything it takes  
(She's got)  
Everything it takes  
She's not just a pretty face  
She's got everything it takes  
She's not just a pretty face
