

## Shania Twain "Shoes"

Visit "[Shoes](#)" on [MotoLyrics.com](#)

Tell me 'bout it  
Ooh

Men, have you ever tried to figure them out?  
Huh, me too, but I ain't got no clue, how 'bout you?  
Men are like shoes, made to confuse  
Yeah, there's so many of 'em  
I don't know which ones to choose  
Ah, sing it to me if you agree

There's the kind made for runnin'  
The sneakers and the low down heels  
The kind that will keep you on your toes  
And every girl knows how that feels  
Ouch, ah, sing it with me

You've got your kickers an' your ropers  
Your everyday loafers, an' some that you can never  
find  
You've got slippers an' your zippers  
Your grabbers and your grippers, an' man, don't you  
hate that kind?

Some you wear in, some you wear out  
Some you wanna leave behind  
Sometimes you hate 'em, an' sometimes you love 'em  
I guess it all depends on which way you rub 'em  
But a girl can never have too many of 'em

It's amazing what a little polish will do  
Men are like shoes

Some make you feel ten feet tall  
Some make you feel so small  
An' some you wanna leave out in the hall  
Or make you feel like kickin' the wall  
Ah, sing it with me, girls, ooh

You've got your kickers an' your ropers  
Your everyday loafers, an' some that you can never  
find  
You've got slippers an' your zippers

Your grabbers and your grippers, an' man, don't you  
hate that kind?

Some you wear in, an' some you wear out  
Some you wanna leave behind  
Sometimes you hate 'em, an' sometimes you love 'em  
I guess it all depends on which way you rub 'em  
But a girl can never have too many of 'em

Some can polish up pretty good  
Ah, all men are like shoes

It's amazing what a little polish will do  
Some clean up good, just like new  
Some you can't afford, some are real cheap  
Some are good for bummin' around on the beach

You've got your kickers and your ropers  
Your everyday loafers  
(Yeah, some that you can never find)  
You've got your slippers and your zippers  
Your grabbers an' your grippers  
(And man, don't you hate that kind?)

You've got your kickers an' your ropers  
Your everyday loafers, an' some that you can never  
find  
You've got slippers an' your zippers  
Your grabbers and your grippers, an' man, don't you  
hate that kind?

Some you wear in, an' some you wear out  
Some you wanna leave behind  
Sometimes you hate 'em, sometimes you love 'em  
I guess it all depends on which way you rub 'em  
But a girl can never have too many of 'em

I ain't got time for the flip-flop kind  
Men are like shoes
