I've known a few guys who thought they were pretty smart  
But you've got being right down to an art  
You think you're a genius-you drive me up the wall  
You're a regular original, a know-it-all

Oh-oo-oh, you think you're something special  
Oh-oo-oh, you think you're something else

Okay, so you're a rocket scientist  
That don't impress me much  
So you got the brain but have you got the touch  
Don't get me wrong, yeah I think you're alright  
But that won't keep me warm in the middle of the night  
That don't impress me much

I never knew a guy who carried a mirror in his pocket  
And a comb up his sleeve-just in case  
And all that extra hold gel in your hair oughtta lock it  
'Cause Heaven forbid it should fall outta place

Oh-oo-oh, you think you're something special  
Oh-oo-oh, you think you're something else

Okay, so you're Brad Pitt  
That don't impress me much  
So you got the looks but have you got the touch  
Don't get me wrong, yeah I think you're alright  
But that won't keep me warm in the middle of the night  
That don't impress me much

You're one of those guys who likes to shine his machine  
You make me take off my shoes before you let me get in  
I can't believe you kiss your car good night  
C'mon baby tell me-you must be jokin', right!

Oh-oo-oh, you think you're something special  
Oh-oo-oh, you think you're something else

Okay, so you've got a car  
That don't impress me much  
So you got the moves but have you got the touch  
Don't get me wrong, yeah I think you're alright  
But that won't keep me warm in the middle of the night

That don't impress me much  
You think you're cool but have you got the touch  
Don't get me wrong, yeah I think you're alright  
But that won't keep me warm on the long, cold, lonely  
night  
That don't impress me much

Okay, so what do you think you're Elvis or something...  
Whatever  
That don't impress me
