I hear the slamin' of the door  
There you go again.  
I can take it anymore  
That's just the way it is. Ooh...

But then i listen' to my heart  
And the anger fade.

I wanna hold you  
Never let you go away.  
Bridge:

I feel a regain war inside,

About and between the heart and mind.

But love wins wwhen i close my eyes  
Chorus:  
The heart is blind,  
It will not see.  
When hope is gone,  
The heart will still believe.

I see you go.  
With tearful eyes.

But for the shape of love,  
The heart is blind.  
I know there's bein a lot of nights

The words are like a knife,  
When we couldn't sleep.  
They cut so deep. Ooh..  
But when i listen to my heart  
It's deeper than the pain.  
I really love you,

That's all that matters anyway.  
Bridge

Chorus  
I'll always love you.

And hard times will only

Make us strong.

If we keep holdin' on.

Chorus and fade
