I get confused when I'm tired  
But the last time I saw you  
You were in a room where  
sunshine in my eyes and water on the floor  
I watched you float away  
Take me with you!

A long time ago  
we were  
walking around  
we were  
fooling around in the garden  
In the garden there  
I saw you turn around  
And still you turn around  
My eyes were playing tricks on me  
How I miss you  
Chorus 1  
I could be a love bird  
Chained under the water  
Under the water  
I could be standing on a ladder  
To make it easier  
To make it easier

Your eyes are colored stone  
You've got an ear through your nose  
Your chains are made of gold  
I don't think they would float  
floating is what you do  
that is beautiful  
that is you  
Chorus 2  
I could be a love bird  
Chained under the water  
Under the water  
I could be swimming out to save you  
No one there would save you  
To make it easier

I'll be your love bird  
Under the water

I could be standing  
to make it easier

repeat chorus 1  
repeat chorus 2 2x  
repeat chorus 1  
repeat chorus 2
