I'll be there when you're sleepin'
and every hour you're awake

I wanna hear your secrets
wanna share your worries

Wanna go the deepest--

I don't wanna hurry

I wanna take a lifetime to
memorize your face

Wanna hold you closer--kiss you longer

Wanna hear your heartbeat--
stronger and stronger

Wanna know you all over

Till I know you by heart

Gotta know you with all that I got

[Chorus:]

I wanna know you that good!

Like no one knows you

Gonna reach way down deep in your mind

I wanna get to know you--

wanna get to know you

Wanna get to know you that good

Gonna know you right through

You know I want to

So badly it hurts all the time

I wanna get to know you--

wanna get to know you

Wanna get to know you that good

Yeah, I wanna know you that good

Every feel of your fingers

every curl in your hair

Don't wanna miss a minute--

wanna be right in it
Do everything you're doin'--
go everywhere you're goin'

Wanna know you all over
Till I know you by heart
Gotta know you with all that I got

[Repeat Chorus]

I wanna know you that good
Wanna know your emotions--
wanna taste every tear
Wanna hear you breathin'--
feel what your feelin'
I wanna get to know
Know you that good!
Like no one knows you
Gonna reach way down deep in your mind
I wanna get to know you--
wanna get to know
wanna get to know
To know you
Te quiero saber de memoria
Te quiero conocer tan bien!
