Here we go, yeah

Deep in Denialville
Tryin' a' fight the way I feel
I go jello when you smile
I start blushin'-my head rushin'

If you stand too close to me
I might melt down from the heat
If you look my way one more time
I'm gonna go out of my mind

Whatever you do, don't even think about it
Don't go and get me started
Don't you dare drive me crazy
Don't do that to me baby

You stop me in my tracks
My heart pumpin' to the max
I'm such a sucker for your eyes
They permanently paralyze

Whatever you do, don't even think about it
Don't go and get me started
Don't you dare drive me crazy
Don't do that to me baby

Whatever you do, don't do that to me

You got my heart under attack
You give me shivers down my back
D'ya have to walk the way you do?
I get weak just watchin' you

Whatever you do, don't even think about it
Don't go and get me started
Don't you dare drive me crazy
Don't do that to me baby

And don't even think about it
Don't go and get me started
Don't you dare drive me crazy

Don't do that to me baby

Don't do that, don't do that
