

Shania Twain "When You Kiss Me"

Visit "[When You Kiss Me](#)" on MotoLyrics.com

This could be it, I think I'm in love
It's love this time
It just seems to fit, I think I'm in love
This love is mine

I can see you with me when I'm older
All my lonely nights are finally over
You took the weight of the world off my shoulders
(The world just goes away)

Oh, when you kiss me
I know you miss me
And when you're with me
The world just goes away

The way you hold me
The way you show me
That you adore me
Oh, when you kiss me
Oh, yeah

You are the one, I think I'm in love
Life has begun
(I think I'm in love)

I can see the two of us together
I know I'm gonna be with you forever
Love couldn't be any better
(The world just goes away)

Oh, when you kiss me
I know you miss me
And when you're with me
The world just goes away

The way you hold me
The way you show me
That you adore me
Oh, when you kiss me
Oh, yeah

I can see you with me when I'm older

All my lonely nights are finally over
You took the weight of the world off my shoulders
(The world just goes away)

Oh, when you kiss me
I know you miss me
And when you're with me
The world just goes away

The way you hold me
The way you show me
That you adore me
The world just goes away

And when you kiss me
I know you miss me
Oh, the world just goes away
When you kiss me
