Full moon I'm cravin' just a little
Young love from an innocent one
No shame, it's purely noncommittal
It's the only way to go if you wanna have fun

Kick start the rhythm, pull out on the road
Relyin' on an overload
I need some baby blues reflectin' in the mirror
Tellin' me all the things I wanna hear

Loved and lost, I've paid a painful cost
Feel my love, I've reached the point of no return

I'm wild and a wicked
Wild and a wicked for love
Wild and a wicked
Wild and a wicked for love

I need a guy that's full of sex appeal
I need a guy that looks good in the red
I want someone with a heart that I can steal
I want someone to drive me out of my head

Tight jeans, cute and the way I might behave
Ever trouble you might say
All the things you said it
Ooh I want him in the back that way

Loved and lost, I've paid a painful cost
Feel my love, I've reached the point of no return now

I'm wild and a wicked
Wild and a wicked for love
Wild and a wicked
Wild and a wicked for love

Wild and a wicked
Wild and a wicked for love
Wild and a wicked
Wild and a wicked for love

Loved and lost, I've paid a painful cost

Feel my love, I've reached the point of no return now

I'm wild and a wicked
Wild and a wicked for love
Wild and a wicked
Wild and a wicked for love

Wild and a wicked
Wild and a wicked for love
Wild and a wicked
Wild and a wicked for love
