When I first saw you, I saw love.
And the first time you touched me, I felt love.
And after all this time, you're still the one I love.)

Looks like we made it
Look how far we've come my baby
We mighta took the long way
We knew we'd get there someday

Bridge:
They said, I bet they'll never make it
But just look at us holding on
We're still together still going strong

Chorus:
(You're still the one)
You're still the one I run to
The one that I belong to
You're the one I want for life
(You're still the one)
You're still the one that I love
The only one I dream of
You're still the one I kiss good night

Ain't nothin' better
We beat the odds together
I'm glad we didn't listen
Look at what we would be missin'

Bridge:
They said, I bet they'll never make it
But just look at us holding on
We're still together still going strong

Chorus:
(You're still the one)
You're still the one I run to
The one that I belong to
You're the one I want for life
(You're still the one)
You're still the one that I love

The only one I dream of
You're still the one I kiss good night

Chorus:
(You're still the one)
You're still the one I run to
The one that I belong to
You're the one I want for life
(You're still the one)
You're still the one that I love
The only one I dream of
You're still the one I kiss good night

I'm so glad we made it
Look how far we've come my baby
