When I first saw you, I saw love
And the first time you touched me, I felt love
And after all this time, you're still the one I love

Looks like we made it
Look how far we've come my baby
We mighta took the long way
We knew we'd get there someday

They said, "I bet they'll never make it"
But just look at us holding on
We're still together still going strong

(You're still the one)
You're still the one I run to
The one that I belong to
You're still the one I want for life

(You're still the one)
You're still the one that I love
The only one I dream of
You're still the one I kiss good night

Ain't nothin' better
We beat the odds together
I'm glad we didn't listen

Look at what we would be missin'

They said, "I bet they'll never make it"
But just look at us holding on
We're still together still going strong

(You're still the one)
You're still the one I run to
The one that I belong to
You're still the one I want for life

(You're still the one)
You're still the one that I love
The only one I dream of
You're still the one I kiss good night

You're still the one

(You're still the one)

You're still the one I run to

The one that I belong to

You're still the one I want for life

(You're still the one)

You're still the one that I love

The only one I dream of

You're still the one I kiss good night

I'm so glad we made it

Look how far we've come my baby
