(Babyface)

Tonight I'm lying here without you
It feels like hell baby
Without your love, your love
And I'm no good less I'm around you
Like you can't tell baby, you're all I want
I get up and I pick up the phone and
Then I dial your number praying that you ain't gone
Every day I seem to lose a little bit of my mind
I wanna let you go boy but I

Hook
Ain't got no remedies baby
Its all bout you and me baby
I feel up, I feel down
I feel all together emotional
Ain't got no remedies baby
I got it bad you see baby
I go in, I go out
I get all together emotional

My heart can barely beat without you
What is this spell baby
You've got me on, me on, me on
Can't make no sense of things without you
It never fails baby
Your love's so strong

(Your love's so strong)
Well I can't eat (I can't see)
I can't sleep (I can't eat)
I can't think (I can't think)
I can't even speak
Every day I seem to lose a little bit of my mind
I wanna let you go boy but I

Hook

Bridge
I can't stop, and I can't go it's a
Something that I can't control

It's taking over me its getting under me
But I can't let go cause I love you so
I can't eat, I can't sleep, I can't hear, I can't see
I can't think, I can't dream, I can't ever speak
I swear I'm bout to lose my mind
I wanna let you go boy but I
