I remember when I was a little girl  
A Hershey's kiss was my favorite thing in the world  
When I was lost I would always turn to something sweet  
A candy bar would always satisfy me instantly

You're my chocolate, you're my chocolate  
Caramel cream filled hundred percent filled  
Chocolate, you're my chocolate  
Cocoa, butter, honey, lover, you're like no other

You're my chocolate, you're my chocolate  
Like hot fudge you're too much I can't get enough  
Of your chocolate, your chocolate  
You are my favorite candy

Everyday you would always surprise me with somethin'  
new  
A candle light dinner and a dozen roses just to name a  
few  
(Few, few, few)  
You always seem to know the things that I'm feelin'  
You always give to me the things that I'm needin'  
I can never let you go, you're the sweetest candy that  
I'll ever know

You're my chocolate, you're my chocolate  
Caramel cream filled hundred percent filled  
Chocolate, you're my chocolate  
Cocoa, butter, honey, lover, you're like no other

You're my chocolate, you're my chocolate  
Like hot fudge you're too much I can't get enough  
Of your chocolate, your chocolate  
You are my favorite candy

Chocolate, you're my chocolate  
You're my chocolate  
Chocolate, you're my chocolate  
Chocolate  
Chocolate, you're my chocolate  
You're my chocolate, chocolate baby  
Chocolate, my chocolate, my chocolate baby

Yes you are, my chocolate, caramel filled, my  
chocolate  
Yes you are, my chocolate, cocoa, butter, honey, lover  
like no other  
Yes you are, my chocolate, like hot fudge, you're too  
much  
I can't get enough of your chocolate

You're my chocolate, you're my chocolate  
Caramel cream filled hundred percent filled  
Chocolate, you're my chocolate  
Cocoa butter, honey, lover, you're like no other

You're my chocolate, you're my chocolate  
Like hot fudge you're too much I can't get enough  
Of your chocolate, your chocolate

You're my chocolate, you're my chocolate  
Caramel cream filled hundred percent filled  
Chocolate, you're my chocolate  
Cocoa, butter, honey, lover, you're like no other

You're my chocolate, you're my chocolate  
Like hot fudge you're too much I can't get enough  
Of your chocolate, your chocolate
