I heard you say goodbye  
Said that it would be our last night  
It took me by surprise  
Say that it isn't so

Oh baby  
I don't wanna see you go away  
Oh baby  
I'd be there till my dyin' day  
Oh baby  
I can't live if I'm not lovin' you  
Don't make me baby

Chorus  
I hate to be lonely  
We could be out takin' a drive  
I hate to be lonely  
We should be walking side by side  
I hate to be lonely  
Lonely for you  
Lonely for you

You said you wanted me  
To be your girl that's all you'd need  
And I gave my heart so free  
Trying to win your love but

Bridge  
Baby  
I gave my heart and soul to you  
Oh baby  
You never had a love so true

Can't you see the tears I cry over you  
Don't leave me baby

Chorus

Lonely for you baby  
I know we can last

Just give it a try  
Trust me

Bridge

Chorus
