Sunset on a chapel, when I close my eyes I see her and
she's prayin'
Ripples in the holy water, kneelin' in the light that is
fadin'
Askin' for forgiveness 'cause she knows that it is me
that she is breakin'
Angel flyin' with my heart

She rides on the edge of no tomorrow in a rusty El
Camino
She flies as wild as the wind on the border of Laredo
She rides away
Questions in the dark
She rides away
Angel flyin' with my heart

Mystery surrounds her, she's the moonlight in the
daylight, ain't no answer
Blacktop on the sand while the desert just goes on and
on forever
She told me when I met her she would leave like it
was written in red letters
Angel flyin' with my heart

She rides on the edge of no tomorrow in a rusty El
Camino
She flies as wild as the wind on the border of Laredo
She rides away
Questions in the dark
She rides away
Angel flyin' with my heart

Sunset on a chapel, when I close my eyes I see her and
she's prayin'
Askin' for forgiveness 'cause she knows that it is me
that she is breakin'

She rides on the edge of no tomorrow in a rusty El
Camino
She flies as wild as the wind on the border of Laredo
She rides away
Questions in the dark

She rides away
Angel flyin' with my heart
Angel flyin' with my heart
