Dhaage tod laaon chandni se noor ke
Goonghat hi ban alo roshni se noor ke
Sharma gayi to agaosh mein lo
Ho saanso se uljhi rahein meri saansein
Bol na halke halke
Bol na halke halke
Hoth se halke halke
Bol na halke

Aa neend ka sauda karein ik khwaab dein ek khwaab
lein
Ek khwaab to aankhon mein hain ek chand ke takiye
tale
Kitne dinon se yeh asman bhi soya nahin hai is ko sula
dein
Bol na halke halke
Bol na halke halke
Hoth se halke halke bol na halke

Maga nisa sa madhe pa ni sa re ga ni sa ma pa dhi na
sa

Umrein lagi kehte hue do lavz the ik baat thi
Woh ek din sau saal ka sau saal ki woh raat thi

Kaisa lage jo chup chaap dono pal pal mein poori
sadiyan bita dein
Bol na halke halke
Bol na halke halke
Oth se halk halke bol na halke
Dhaage todh laaon chandni se noor ke
Goonghat hi bana don rausni se noor ke
Sharma gayi to aghosh mein lo
Saanson se uljhi rahe meri saanse
Bol na halke halke
Bol na halke
