Duh duh duh (repeat)

You're sweet like chocolate boy, sweet like chocolate;  
You bring me so much joy, you're sweet like chocolate.

(Vers1)

Finding the way in the dark  
It's not hard when you're close to my heart,  
You are there when I'm feeling alone  
All I need is for you to come home

You're sweet like chocolate boy, sweet like chocolate;  
You bring me so much joy, you're sweet like chocolate.

(Vers2)

Trust is the lock is the key  
There's no doubt your love's all for me,  
You are sweet on the tip of my tongue  
You are warm as the rays of the sun

You're sweet like chocolate boy, sweet like chocolate;  
You bring me so much joy, you're sweet like chocolate.

You're sweet like duh duh duh (repeat)

(Vers3)

Knowing you're there everyday  
Makes my high in my own special way,  
I am caught in the face of your love  
Holding you is a gift from above

You're sweet like chocolate boy, sweet like chocolate;  
You bring me so much joy, you're sweet like chocolate.

You're sweet like duh duh duh (repeat)
