I started a joke  
Which started the whole world crying  
Oh if I could only see that the joke was on me

I started to cry  
Which started the whole world laughing  
Oh if I could only see that the joke was on me

I looked at the sky  
Rubbing my hands over my eyes  
And I fell out of bed  
Hurting my head  
From things that I said

Til I finally died  
Which started the whole world living  
Oh if I could only see that the joke was on me

I looked at the sky  
Rubbing my hands over my eyes  
I fell out of bed  
Hurting my head  
From things that I said

Til I finally died  
Which started the whole world living  
Oh if I could only see that the joke was on me
